

ARKANSAS MILITARY SERVICE AND SECURITY PATHWAY

CONNECTING OPPORTUNITIES

In a partnership between the Arkansas National Guard, Virtual Arkansas, and the Division of Career and Technical Education, interested Arkansas students will be able to explore options, obtain skills, and discover opportunities related to military service and security in the National Guard and beyond.

MEETING NEEDS

- ✓ **EXPANDING CAREER OPTIONS**
Students will learn about the latest and newest careers in military service and security.
- ✓ **SERVING LOCAL COMMUNITY**
Students will discover ways the National Guard serves their local community and how that could connect to their own future career.
- ✓ **DEFENDING NATIONAL SECURITY**
Students will learn about some of the greatest threats to national security and unique ways their skills could help protect people.

TARGETING SKILLS

🎯 LEVEL 1 COURSE - COMING FALL 2024 NATIONAL MILITARY SERVICE AND SECURITY

This course explores US military and civil service from a national perspective including origins, service components, and capabilities, as well as challenges and opportunities in the 21st century.

🎯 LEVEL 2 COURSE - COMING FALL 2025 ARKANSAS MILITARY SERVICE AND SECURITY

The second course will connect level one concepts to the local context of Arkansas National Guard service opportunities.

🎯 LEVEL 3 COURSE - COMING FALL 2025 MILITARY SERVICE AND SECURITY CAREERS

The third course will integrate relevant job skills with the most high demand military service and security careers available in the Arkansas National Guard.

APPLYING EXPERIENCE

Students completing the entire pathway will be recognized by DCTE and the Arkansas National Guard as a pathway completer with possible certifications, incentives and recognition.
